EXPERIENCED BUILDING SURVEYOR PLYMOUTH

JOB TITLE

Chartered Building Surveyor

REGION

South West – Devon & Cornwall based in the Plymouth Office.

COMPANY PROFILE

Stratton Creber Commercial is a leading and long established West Country firm of commercial property Chartered Surveyors with offices in Plymouth, Truro and Exeter. We provide a broad range of professional and agency services across Devon and Cornwall to a wide range of clients.

MAIN PURPOSE OF JOB

Stratton Creber Commercial is seeking to expand their building surveying services and requires an experienced (MRICS) Chartered Building Surveyor able to deliver a wide range of professional and project management services. The individual will be required to enhance the company's building surveying offering with experience in dealing with commercial property and delivering a high quality and efficient service. The individual will work within our existing Building Surveying Department and with our established external and internal client base.

This is an excellent opportunity for a self-motivated Building Surveyor to join an established business, based in Plymouth, which has exciting expansion plans.

ROLE REQUIREMENTS AND DUTIES

- ❖ An experienced Building Surveyor with MRICS qualification
- ❖ Provide a broad range of professional and project management services specialising in commercial property
- ❖ Assisting in developing the building surveying team and multi-disciplined business within the office.
- ❖ High level of client care to win new and repeat business
- ❖ Ability to work within a team to promote building surveying services
- ❖ Experience in providing a broad range of services preferably including dilapidations, acquisition surveys, party wall awards, project management, contract administration, CAD, planned maintenance, refurbishments and insurance reinstatement valuations
- ❖ Strong communication and negotiation skills
- ❖ Have ambition to expand the business, strengthen existing client base and develop new relationships

SALARY

Salary details available upon application, commensurate with experience and skills.

This is an exciting opportunity for the right candidate to join one of the major firms of commercial surveyors in the West Country
